A photograph of an industrial injection molding plant. Several large, blue and white machines are visible, arranged in a row. The machines have various components like hoppers, extruders, and mold cavities. The background shows a typical factory environment with overhead lighting and structural elements.

>>> Automotive connector housing

Cavities:4--8 With pressure Sensor Cycle time :12S-16S

>>> Antenna LDS housing

Cavities:4 With slide Hot Sprue:INCOE Cycle time:20s

>>> Appliance connector housing

Cavities:4--16 With pressure Sensor Cycle time:12S-16S
